## -Insurance-

Uptown Moving offers three types of insurance for our customers.

### **1) Standard carrier insurance: \$.60 per lb. Per Article**

This is your basic moving insurance at no additional cost to the customer.

This covers your items at the stated rate for damage.

Ex: If you have an 80 lb. dresser that gets damaged and you ask for the insurance claim you will receive a credit or claim check in the amount of \$48.00

### **2) Itemized valuation Insurance: \$12.00 Per \$1000.00 of insurance.**

This is a more practical insurance for those specific items that you may want covered against any possible damage. You may list as many items as you want with this policy.

Ex: you have a T.V. valued at \$2000.00 and want it covered in full in case of damage.

Value: \$2000.00 insurance for replacement in case of damage \$24.00

### **3) Full coverage insurance: \$10.00 per \$1000.00 of insurance.**

With this policy your entire shipment/load will be covered against any damage.

Ex: you want everything the movers will be handling to be fully covered, you will pick a value that you want to use from the list below that you feel best fits your property value:
